

## Cedar House, Chiswick Mall, London W4 2PS

By car:

The A4 is a dual carriageway which you can't cross between the Hogarth Roundabout (bottom of the map) and Hammersmith (off the map, to the right). So, from the East: Take the A4 Great West Road and turn left into Eyot Gardens then right into Chiswick Mall, or if you miss Eyot Gardens, keep going to the next big junction, the Hogarth Roundabout, and turn left into Church Street - then left again into Chiswick Mall.

From the West - Bear right at the Hogarth Roundabout into Church Street. Turn left at the end, into Chiswick Mall.

Nearest tube:

Stamford Brook (District Line) Turn right out of the station and head towards King Street then St Peter's Square. There is an underpass at the end of Black Lion Lane to get you across the A4. Its about half a mile or a 10 minute walk.

If you don't fancy the walk and want to come by taxi, its probably quicker and cheaper to start from Hammersmith where there is a taxi rank. Getting across the A4 dual carriageway from Stamford Brook involves quite a circuitous route.
